

Khaya Mngomezulu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a general worker job because I strongly believe that I can do my best in the field. According to the plan of my future, I wish to start my own business so that why I like working with other people to add in the skills I have. I am a heard worker, I like to communicate with others. In addition, I like challenging things that why I am having my N4 in electrical engineering (heavy current) and I also like working with electricity.

I like solving problems and creating new ideas to further my experience.

I can be very excited to see my self having a brighter future and being a good wearpon in the community as well as in the company.
