Curriculum Vitae (CV)

What job i'm looking for? My positive points

An adaptable and responsible graduate seeking an entry-level position in chemical industry in which I will utilise my educational background ,my direct experience in a laboratory setting and analytical techniques skills acquired at university.

During my degree I successfully combined my studies with work and other commitments showing myself to be self-motivated, organised and capable of working under pressure. I have a clear, logical mind with a practical approach to problem solving and a drive to see things through to completion. I enjoy working on my own initiative or in a team. In short, I am reliable, trustworthy, hardworking and eager to learn and have a genuine interest in chemistry.
