## What job i'm looking for? My positive points

I am looking for a job as an educator. I am a qualified educator with years of experience in the field. I have experience from foundation phase up to senior phase. I like working with kids that why I chose to be an educator.

I have an ability to grow with a job, handle responsibility and build a positive relationship with my colleagues at all level. I am a well disciplined human being with so much respect, at moment I am working as a helper because of lack of job opportunity. I am willing to assist as well.
