## What job i'm looking for? My positive points

I am a hard working person. I am honest to my work and always give 100 % of myself. My family is very important to me, so in my off days we spend time together. I am not afraid to work hard and is always eager to learn more of my work.

I would like to take me on you will not regret it. I always give my best. I lost my work because of mine retrenchment. I worked for the last 6 months as diesel fitter but my contract also ended now.

Thanks so much.
