## What job i'm looking for? My positive points

I am a 31 year young lady looking for a chance to prove myself. I am a qualified beauty therapist who has branched out into loving secretarial work, as that is the first job i did when i worked at two beauty Spas. I found that i love being the front lady of the office. Dealing as the initial help for clients, posing as the face of the company. That gives one confidence as that is what is required for that job. I am friendly and motherly warm. I am strong and decisive when needed. Most of all, i always have a smile on my face.
