Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a student who is undertaking a Degree in Information Systems at Midlands State University. Presently I am in Level 2.2, and I expect to complete my program course in December 2018. I am a young man of great determination and aspiration who is hands on what he does. I am now looking for a place to do my Industrial Training from December 2016.

I would really appreciate it if you could accept me as an attachee in your company to fulfil my industrial training requirement as well as to bring new innovative ideas. I have chosen to apply to your company for this purpose because I am interested in a career that provides a challenging work in the information technology industry. I believe I could gain valuable experience as a trainee in your company to further my career goal. I have enclosed my resume together with this letter for your information.

It is with great enthusiasm that I submit my application for the above mentioned position. I enclose my CV for your information. I am an innovative, eloquent and driven team player with good communication and interpersonal skills studying for a Bachelor of Science Honours in Information Systems degree seeking internship opportunity. I have the ability to work with many different types of people. I believe I could fit easily into your team and thrive in an environment where no two work days are exactly the same.

In addition to being flexible and responsive, I am a conscientious person who works hard and pays attention to detail. I'm flexible, quick to pick up new skills and eager to learn from others. I also have lots of ideas and enthusiasm. I have excellent references and would be delighted to meet and discuss the value that I can bring to your company at your convenience
