What job i'm looking for? My positive points

I'm a 37 year old man with +-59kg I'm a general worker i am driver I have 14 years experience driving especially Johannesburg Gauteng and surrounding Provinces some 6years in the city till I came back home in 2011. There is no job at all here. People call me sometimes to take them to cities, like Kimberley, Bloemfontein and surrounding towns of other provinces. People who build houses {"only who are close to me"},i put on tiles bathroom plumbing painting floerplank tube the house fixing some broken items. I'm not a builder, I love the standing house and i can refer to renovation. I put on my hearing aid regulary,i am a normal person like anyone, maybe seeing a hearing aid in someone's ear is like a man of the government grant R1500 is for me and my son. Is important to have my attention in your position plased. I'm a worker/driver.
