What job i'm looking for? My positive points

I am a very determined and highly motivated person. I do take my job seriously but I'm able to see things in perspective and believe I'm quite easy-going to work with. I'm an optimist not a pessimist -but I'm also a realist and I cope well under pressure;am very good at finding problems and solutions. Above all, I would say I'm positive and enthusiastic person-and I relish a challenge
