Curriculum Vitae (CV)

What job i'm looking for? My positive points

If dedication, enthusiasm and hunger to succeed are what you require from an employee, then look no further. Determination to deliver and the appreciation for the tasks entrusted to me by my superiors are what make me the ideal candidate. I am responsible and mature with the frame of mind to know that teamwork, respect and honesty are some key elements for success in a business or in life, generally. My only weakness is that i cannot rest until a challenge has been overcome. I do believe that these are qualities that are perfect for your team, i am no time waster, i know what i want out of life and in the same breath, i truly believe that I am what you need for your team. My technical aptitude along with my amazing attitude and work ethic sets me apart from other candidates. I perform comfortably in any setting, whether it be a group / team setting or an individual setting. I am always happy to learn new things or ways to help better my knowledge and the proficiency at which i complete tasks efficiently. I truly believe that i am exactly what you require in your organization. This is because yours is a winning team and a winning team comprises of the best, i am the best for your team.
