Curriculum Vitae (CV)

What job i'm looking for? My positive points

When it comes to this sector of self description it's where we most get creative and say things that are not true just to impress a recruiter . But I prefer to be me n stay honest . Um a Bcom student specialising in marketing doing my first year at Richfield graduate institute of technology , I love reading ,listening to music and participating in outdoor activities . My favorite books are Rich dad poor dad , Art of war ,The alchemist and Maximum achievement. um a versatile person but on my first day um a bit shy , and as time goes by I adapt just like everyone else , and I love being around people ,I just love the atmosphere of being in the presence of different personalities because it's life changing ,I learn different things when um around people ,new things ,um also a business minded person who one day would like to own a business in the hospitality industry . I also would love to be given a shot in working industry as I have never worked before . I just wanna give my little sister a Christmas she has never had ,which I also never had .
