What job i'm looking for? My positive points

I'm looking forward to working as a cashier. I'm currently doing my grade twelve this year. I'm in need of this job because I didn't apply for university. My results of grade 11 end of year were not good for me to apply. I'm living with my four sisters and we are living with their social child's grant. No one is earning money except for that social grant they are earning for their child's support. If I only find this job I'm looking for as a cashier, it would be helpful to me and my four sisters. I have a certificate of a computer.
