I applied fir this job 1st to be of a help for my family as my husband is the only one working at the moment and we have 2 sons. Secondly I have a responsibility towards my family especially my sons I am doing it for them. As a mother I must look after my family and give them the best I can. I am a fast learner and always give my best when at work. I really need to get this job to take care of my responsibilities. Thank You.
