## What job i'm looking for? My positive points

I applied for this position because not only am I interest but also believe that I have the ability and the determination to do the job. I am a well preserved guy and very ambitious and with lots of high hopes and goals in the future, I strongly believe that I will reach my goals because I am not just a dreamer but also I hard worker and fairly intelligent so for me is not a matter of if, but a matter of when it happens. I have to say that in my years as an employee, I have learned and achieved a lot and still believe the best is yet to come, because I am not just a sitter and watch life passes by, I am a go getter.

At my younger age I have always seen my self as a lawyer on date, however with some lack of mentoring and finance it did not happen. I did not give up then and I saw my self changing my direction in life. And I have to say; it has not been an easy road but with the strength I was granted by my good lord I manage to experience life in a way that I now know where is my direction heading. My successes have made me a matured and responsible and better man.

What I have is determination, confidence, ability, skills and self drive to grow. My spell in life is a huge one and the confidence and hard work I put in everyday day live I am able to deal with the hardship of life because I know how to absorb and deal with pressure. I have a lot of experience, skills, intelligence and ability to offer the company.

I am a people person that is why I prefer to work with people. one of my proudest ability is that I can work in a team and alone, so for me there is never preference, field me anywhere and I will make the company proud and honored to have me,

Currently I am working in one of the biggest hospitals in Africa if not in the world as an administrator, for now is still temporary, however I strongly believe that I made my mark. My family depends on me as I am the sole bread winner.

All in all I hope and pray that my application will be successful for a meet. God bless you all.
