Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm very passionate about helping the community, I want to make everyone to feel more safe in the outside world and I've always wanted to work for the South African Government. I'm very young and I'm a workaholic. It would be a pleasure for me to work for the government. I'm always a helping hand and I'm open to people. Any student job will help me raise some money for varsity in the following year. I come from a disadvantaged background but i'm sure I'm the key to a new life in my family and I hope that my request and wishes could be granted, THANK YOU.
