Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm caring, loving, supportive and I love children. I'm blessed with two girls, one is still studying and the other lives in her house in orchards. I raised them well and they're doing just fine. I once volunteered at a creche to help. I volunteered for almost three months and children loved me. I am very good at children and I'm willing to do anything for them.
