

Cephass Mureri

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to propose my candidacy as a short term insurance underwriter within your organization. I am enthusiastically applying for this post and I am firmly believe that a combination of my natural ability, technical expertise, skills and work experience all make me an ideal candidate for the role. As a talented qualified candidate, I am familiar with key fields such as risk management, assets and property management, short term and commercial underwriting and client services.

I would also bring value to a company like yours through my experience in financial management and administration, as well as my positive attitude. Currently I am working as an underwriting consultant and for the past three years I have been employed in a busy role in a financial administration set up as a claims clerk. Furthermore I am keen to join a winning team and reputable company like yours, where I will be able to develop useful skills that will be of value to me later on in my career.

In regard to all this, I am fully convinced that my candidature is more relevant to your company. For more information regarding my competencies, professional qualifications and traceable references, please find attached a copy of my comprehensive curriculum vitae.

Yours faithfully
