

Sanjay Kumar Pandey

Curriculum Vitae (CV)

What job i'm looking for? My positive points

- Responsible for designing and implementing cost-effective equipment modifications to help improve safety, reliability and throughput
- Discussing and solving complex problems with manufacturing departments, sub-contractors, suppliers and customers; Developing, testing and evaluating theoretical designs
- Making sure a product can be made again reliably and will perform consistently in specified operating environments
- Managing projects using engineering principles and techniques; Planning and designing new production processes
- Producing details of specifications and outline designs; Recommending modifications following prototype test results
- Using research, analytical, conceptual and planning skills, particularly mathematical modeling and computer-aided design; Considering the implications of issues such as cost, safety and time constraints
- Working with other professionals, within and outside the engineering sector and monitoring and commissioning plant and systems.

Currently associated with "Komatsu" Dealer, Saud Bahwan Group, Muscat Sultan Of oman.as Sr. Mechanic

Ability to handle all types of heavy earth moving equipments like Bobcat, Wheel Loaders, (KOMTSU) Excavators, Light Towers, Compressors ,Crawler Drill, Cranes,Dozzer,Fork Lifts, Soil Compactors, Tandem Rollers, Pavers, Pneumatic Tire Rollers, Graders etc.

- Maintenance of Heavy Earth Moving Equipments of mines, like L&T Excavators 300 CK, Cat Loader 950H, Cat Grader 120K2, Cat Backhoe Loader, Cat Dozer D8R, Atlas Copco Drill Machine D-40, Volvo Dumpers FMX 440.
- Ensuring the quality control in repairing and service of equipments.
- Planning and scheduling overhauling, spare part planning.
- Prepare daily report, performance analysis, breakdown report, daily fuel entry etc.
- Troubleshooting and repairing of all types of auto electrical parts like wiring circuits etc.
- Daily and Weekly maintenance of Heavy Earth moving Equipments.

Preferred occupation

technician
