Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job that I can committee to as I know that I will be a great asset to the company.

My weakness is time management but I'm working on that dat point as I am training myself to be always in time. I arrive early than being late.

I know how to deal with pressure and being around people.

I'm a fast learner, easy to talk to, a team player and a go getter just to name a few
