Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job as a sales person. I never work as one but I got interested while I was working as a security at clicks, I used to help customers, helped with machandising and so many retail things. I'm kind a very passionate person, in this retail field strength is the ability to communicate, by this I mean this thing effectively to the needs of customers to ensure that they have right products to solve their problems. Giving them full service that they need is important.
