

Monica Bock

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Monica Bock and I am 20 years old.

I am very outgoing and I love to be put in different environments. I am very academic which can be seen through my accomplishments throughout high school. I was top student from grade 8 till grade 12. In grade 11, I accomplished distinctions and top student for all of my subjects. Now that I am studying psychology through the University of South Africa, I have obtained 9 distinctions out of 10 of my first year modules; I am currently in second year.

I am very well organised, neat and professional. I take pride in my work but also in the presentation of my work. I believe I have great work ethic and strive to excel in all aspects of my life and professional career.

My short term goal is to be successful in anything I set out to do whereas my long term goal is to get my doctorate in educational psychology. I love working with people, especially children and therefore, a degree in educational psychology I feel will best utilise my passion and drive.
