## What job i'm looking for? My positive points

I'm young, ambitious, patient and eager to learn. I have 10 months experience as a sales agent in a company called lifestyle financial services along with FNB. Willing to work and participate as a team, the reason why I think you should hire me is that I have the company's growth interest at heart. I'll do whatever it takes to learn and make profits. As young as I am, I'm already a family woman who has responsibilities which is to make sure that my kids have a better life and education.

Thank you.
