## What job i'm looking for? My positive points

I'm looking for a job more preferably in the manufacturing industry more specifically in food production but I wouldn't mind any other industry that is related to quality management.

I am an enthusiastic and energetic person and always willing to learn things. I am a hard and dedicated worker who always strive for the best in everything that I do. I don't give up on my work until I have achieved my goal and I like working with people but can even work by myself. I am reliable, trustworthy and very vigilant when it comes to my work.
