

Katlego Moledi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

A Certified Information Technology Project Management Practitioner who is involved in managing Software/Hardware enrolment projects for Absa Capital within a banking environment. I have experience in managing projects throughout their full life cycle, managing complex and multicultural relationships with stakeholders, effectively coordinating my teams and developing solid working relationships with project stakeholders at every level. I am a self motivated individual with strong leadership qualities, an analytical mind and strategic thinking. I respect both my peers and seniors in that I am considerate of people's opinions and differences. I refuse to allow myself to become a victim of my circumstance thus I am hard working and would like to establish myself based on merit. I intend employ my knowledge and acquired skills as well as continue to learn so as to uphold the organizational objectives of my future employers.
