Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job as a chef. I'm a fast worker, I love people, I'm a listener, especially when the head chef says something to my work so I can make more income. I'm always smiling for my customers so the customer comes first. It's important to smile even if a customer makes something wrong because as a worker it's important to hold your anger.
