

Peter Mwazvita Maziti

Curriculum Vitae (CV)

What job i'm looking for? My positive points

COVER LETTER

I am a development consultant with experience and interest in employability programming, vocational skills training, micro enterprise and cooperative development, organizational development and research (particularly programme evaluations). Most recently, I have also taken interest in gender auditing and mainstreaming - including conducting gender sensitization training and that interest necessitated me to start my masters program in gender and policy studies with Great Zimbabwe University. I have over 5 years of working experience, where I have assumed various roles at different levels, including senior leadership. This has made me a highly versatile. I have extensive experience designing vocational skills training programmes, training of trainers in vocational education, designing and facilitating community learning processes, evaluative research projects, documentation of learning and other organizational processes, strategic planning processes and training for transformation.

I hold a bssc honours degree in sociology, a Further Diploma in accounting with institute of chartered secretaries and administrators. I have designed and facilitated over 5 training workshops covering strategic planning, job and work rationalization, training of trainers, customer service, conflict management and financial management for Community Based Organizations. I have led 4 and participated in over 10 programme evaluation researches. I have a special interest in gender, disability issues and issues to do with prostitution currently volunteer as programme manager of a community-based rehabilitation project for children with disabilities - where I do capacity building of the group, particularly strengthening their self-reliance initiatives. I possess research, report writing, facilitation, teaching, monitoring and evaluation, proposal development and bookkeeping skills. i am also undertaking master's degree in gender and policy studies.
