Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear sir/madam

I am a proudly South African citizen, enjoys reading, exercising at a local sports ground and being innovative. I have just completed a learnership 30 May 2017, have accumulated knowledge about customer service, self development, solving problems using mathematics, applying business principles, naming a few.

Hiring me will definitely boost the customer service and your company's image. As I am a charismatic leader but more especially a structured one. My weakness is I seek for perfection in every activity I find my self doing.

I am energetic and flexible. I am able and always appreciate working with a team.

Being optimistic is my life purpose.
