What job i'm looking for? My positive points

I m looking for a job in cleaning because times are hared and I need to provide for my two kids who are in school. I did my grade 12 but did not pass it, so I think a job in cleaning will be the best for me to start to be independent. I m a fast learner and can work very well in a team because I have worked before at a salon so in a salon we always work in teams. I will be very much pleased if my request will be consedared. Thank you.
