

Mbongiseni Mthethwa

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a self-motivated person, with two year working experience, I had successfully completed my National Diploma in Electrical Heavy current Engineering at University of Johannesburg. I have worked for Resolution Circle where I gained experience for practical electrical wiring and measuring. I am competent in computer applications, such as Ms word and build-smart. My experience gained while I was working for Resolution Circle as intern, has developed my skills in electrical connections, boiler making, fitting and turning, Automation of PLC and Pneumatic connections, and fault finding had developed my skills in paying attention to details.
