What job i'm looking for? My positive points

The job I am looking for is a General work or I can be a clear, assistance if that can be possible...but actually my aim is to help, work hard as much as I can and do my Job as I am suppose to do, and I promise that I won't come up with problems or challenges at work. With all above, I would be grateful if my CV can be processed. Thank you so much.
