Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a code 8 driver and sales assistant, for about 8 years-present. My duties included were delivering stock to clients and customers assisting with sales and other adhoc related duties.

I am a trustworthy and very reliable person, i love working with the general public , always looking for a new challenge , and looking to learn something new . I am always willing to render my services when called upon .

A strong and positive and attitude and smile can always get you through a tough time . Negativity isnt worth the effort because it tends to hold u back and not open a way forward ( a positive mind always creates and positive attitude : start your day with a smile )
