## What job i'm looking for? My positive points

I'm a drop out student due to lack of financial income to pay for my studies. I'm looking for any general job in order to get an income to pay for my studies. I'm a hard worker who is even willing to learn whatever that is brought taught in the industry I'll find myself in. I'm also a fast learner who likes challenges who doesn't mind working under pressure.
