

Petrus Jacobs

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for work in the mining industry, I have 17 years experience in the mining community, all areas of production and team leading, with areas of acting supervisor. I am able to think on my feet when problems arise and find suitable solutions. I always strive to go above and beyond what my supervisor expects of me, I am always willing to go the extra mile. I thrive under pressure, and do not buckle under the weight of my responsibilities. I am able to think of ways to better a plan to save both time and money which is still safe for all employees. I am up to date on my fire fighting skills and basic rigging, and in the process of completing my basic first aid certificate. I am able to operate a forklift, however will need to apply for a new license for this.

My biggest accomplishments are Laurel Awards, and my proudest is 16 years of service to a single mine.

I sincerely hope for an opportunity with your company. I will always be dependable and work until the job is done.

Kind regards

Petrus Jacobs
