

Simone Van Deemter

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to start my dream job in the aviation sector. I would love to become a flight attendant. I have had extensive experience in the service industries, giving me varied skills and the ability to work with many different types of people. I believe I could fit easily into your team. My training at Cranfield Aviation provided a great platform to build my career upon. I particularly enjoyed the module on first aid and inflight emergencies.

I am a conscientious person who works hard and pays attention to detail. I'm flexible, quick to pick up new skills and eager to learn from others. I also have lots of ideas and enthusiasm. I'm keen to work for a company with a great reputation

I have excellent references and would be delighted to discuss any possible vacancy with you at your convenience. In case you do not have any suitable openings at the moment, I would be grateful if you would keep my CV on file for any future possibilities.
