

Nkosazana Cynthia Mehlomakulu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am in possession of a B.A degree in social work with social work and psychology as my major courses. I have an extensive experience in social work which involves working with people coming from marginalized backgrounds.

In my practice as a social worker, I have worked in various area of specialties such as child protection which involves identifying children at risk of significant harm, abused children, children in need of care, neglected children including orphans and render appropriate professional services.

I have an extensive experience in counselling, trauma debriefing, court work, working with young people with challenging behaviors and report writing skills. In addition to this, I have worked with people affected and living with HIV/Aids. This involves offering counselling services to the affected people and their families.

I am a hard working professional person who is quite passionate in improving the lives of the disadvantaged people.

I would like to apply for the social worker's position as advertised. Please find the copy of my c.v.

I hope that my application will reach your favorable consideration.

Thank You.
