

Frans Matabola

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I do have N6 Electrical Engineering (light current) coupled with 18 months practicals at Tshwane south FET college in collaboration with Iskor. Moreover, I do have a certificate in instrumentation with process control from Ekurhuleni artisans and skills training centre. I'm currently looking for an apprentice programme that'd help me become an Instrument technician artisan. Moreover, I possess a unique combination of good academic record, and good attributes that the position requires. This includes computer literate, willingness to work long hours, organised, good interpersonal skills (the ability to build good relationships with people), determination and positive outlook to life.
