Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I've always been keen in joining a dynamic company. I understand that honesty & competency is key in your organization & I have gained significant knowledge and understanding on how to work under pressure, how to manage time and to deliver quality results on time. My involvement in extra-curriculum activities such as being involved in the school representative council and in the local community library committee have all helped me develop a range of skills and qualities that make me an excellent candidate for any position.

I believe my background and experience will help me be an asset to your organisation. I am keen to progress my career and take more responsibility with an influential organisation like yours.

I would welcome the opportunity to discuss my application further and I am looking forward to hearing from you.

Thank you for your time and consideration.

Yours Faithfully
