Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a humbled individual who can work and interact with different people from different backgrounds. As a student I have learnt to work pretty well under pressure and I am a good influencer to my peers because of my flawless reputation, which qualifies me to be flexible and be able to adapt to different challenges and assignments. I am looking for engineering learnership, Apprenticeship or any other job that you might have, thank you.
