Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a unpretentious ('real') person who has spent the last period working as a freelance business administrator. Friends & family would describe me as genuine (what you see is what you get). I strongly believe in my ability to remain motivated through difficult situations. My critics may prefer to refer to me as laid back and even lazy - I prefer to take it easy. Within a team, I prefer networking and building relationships, and naturally approach life in a spontaneous and flexible manner. My ideal role is one which utilises my ability to communicate and express myself and provides me with challenges that stretch me.
