Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have completed my matric in 2009. I have worked as an assistant marker in 2011. Currently working at Woolworths started as a till operator filled the position for a year then applied for a supervisor post which it became successful as I have filled the position also for a year now. Reason why am applying for a different position is because I want to grow and develop myself in all departments as possible since I am a multi-talent who is hands on, focused, a team player and always ready to try new things and explore. Very hard working and cooperative.
