Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job that will comply with my qualifications, such as N2 to N4 Mechanical engineering. And I have just told myself that I will never fail in what ever I'll be doing since I was dying for it for a long time. I have noticed that I am emotional intelligent, self motivated, highly self-esteem, able to analyse things such as structures, able to recognize paper structure with practical comparison, able to work with people, also a smart work, always avail myself in learning program and procedures.
