Curriculum Vitae (CV)

What job i'm looking for? My positive points

I desire a job as Health and Safety Officer . I currently have more than 3 years experience in the safety field in Construction. I am adept in safety analysis, training, and reporting. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate strategic planning and program management abilities, I excel at:

- Overseeing safety in manufacturing and logistics environments.
- Recommending and implementing procedural and training changes.
- Improving safety through observation, training, and continued oversight.
- Counseling staff on proper procedures for completing tasks and handling materials.

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for workplace safety and effective production.
