Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently looking for P1 and P2 in Chemical Engineering in order to complete my National Diploma. I am self-motivated young adult, who is willing to bring changes and come up with solutions to complicated problems. I am able to work with others in a group, share information, help each other when facing a problem, and properly dividing tasks between team members. I can adapt to whatever circumstances that are presented to me, and can complete a task in more than just one way. I am able to work under pressure, crack the stress and carry out my tasks efficiently.
