Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hard worker, self-confident, ambitious, self-motivated and also motivated by the previous companies I worked for, companies like Mr Price as a sales assistant , DP Woodwork as an assemble of chairs and at Hollywood Sport book as a betting clerk – there I learned how to work under pressure and with the different type of people. I am good when it comes to communication. I am always willing to grow up with the development of the company and introducing myself to the new task. Whenever I work for the company I like to see that company in the top 5 companies in the world as a whole. Inviting me in to the interview it would be the best interest of the company.
