What job i'm looking for? My positive points

I have 8+ of experience in the field of finance and customer service with focus on revenue management & reporting, customer and stakeholder management, financial data analysis, monthly reporting and accountability, ensuring compliance to all statutory requirements inter alia; Eskom standards, ISO standards, PFMA, and King III reporting.

I am currently working as an Intern: Projects & Admin at Innovate Durban. I have worked at Eskom as a Billing Clerk, I have also worked at Eskom as a Billing assistant Officer. I left Eskom in 2016 to pursue my studies.

In addition to that, I have a National Diploma: Cost & Management Accounting from the Durban University of Technology and currently registered for Btech: Management. I believe that my hands on experience and practical knowledge in finance will be well suited to meet the goals of your organisation. I have enclosed a resume and copies of my qualifications. I look forwards to meeting with you and discussing my qualifications and experience in detail.
