Curriculum Vitae (CV)

What job i'm looking for? My positive points

I started my diploma at Tshwane University of Technology(eMalahleni campus) on 2013, I completed my studies on 2015 and completed my National Diploma on 2017. I did my practical 1 and 2 training with Eskom Holdings SOC in Matimba power station under PTM(Protection Telecommunication and Measurements) and now i am currently busy with internship at Medupi construction project under same department.

I am hard working, determined, dedicated candidate and my mission is to grow myself further more on the Electrical Engineering field. I am willing to challenge myself to learning and facing more problems for me to improve my skills and knowledge in this field and in the industries.
