## What job i'm looking for? My positive points

I am extremely bubbly and enthusiastic about life, however i can be serious when the time calls for it. I am extremely hard-working and diligent in all I do. Once I've started a project I don't stop until it's completed. I have a lot of experience face to face conversations as well as telephonic exchanges. I'm also an extrovert so I'm not afraid to try new things or get my hands dirty.
