What job i'm looking for? My positive points

Dear Sir / Madam,

I am currently looking for a job opportunity, I am satisfied with any open vacancies available.

I am a very hard working person and I always do well in everything I do.

I have a lot of customer care experience and communication skills and can handle pressure and work very well with those around me.

I can comfortably work on computers and compile data, admin work. I am a quick learner and take pride in every task handed to me. When I have problems I resolve them using my own initiative and quick thinking to find the most suitable solution.
