Curriculum Vitae (CV)

What job i'm looking for? My positive points

I want computer jobs because I am good at working with computer. Well I am time saver, a hard worker. I bring all my concentration on what I am doing. I like challenge on my work, so that I can over come them. I am good at communication, discussion. I normally like to find out the problem before I can have a solution.

I don't have discrimination on other people, well not judgemental. The cooperation I like it so that we can come up with, new ideas, facts, plans and etc. I don't like to be distracted while I am doing my job.
