What job i'm looking for? My positive points

I am looking for cleaning position as I have not worked before but I can assure you that I am good at what I am doing.

As a person who grew up in rural area I have been taught to work hard and I used to help the other grandfather who is unable to walk so sometimes I go at his house and clean his house, cook for him and sometimes wash his blankets.

If I get a chance I promise you will not regret hiring me.
