Curriculum Vitae (CV)

What job i'm looking for? My positive points

I will be very delighted to get in-service training for national Diploma in Chemical Engineering but I also posses a Certificate in Office Management which may come in handy.

I also can do Cleaning although I've never been employed anywhere but with just experience I get from doing home chores, I can do it.

I am a fast learner and I will take every opportunity presented to me with both hands because I believe that a career can be pursued at any angle as long as you determined and have great enthusiasm.

I am a hard worker and eager to learn even more.
